User Story Map v3: APSS Website

Arrive at Home			Leave Quickly	Get Help					
What is this site?	Find My Way	See What's New	Emergency Exit	Testing	Needle Exchange	Report a Needle	Naloxone	Care & Support	Visit Us
MVP 1									
As a first-time visitor, I want to see what this site is for, so I know if it is for me	As a community member, I want one-click tiles for key services, so I can find help fast	As a community member, I want the latest news on the home page, so I see what APSS is doing	As someone looking up testing, I want an exit button on every page, so I can leave fast	As a community member, I want testing days shown up front, so I know when I can go in	As a community member, I want needle exchange info one click away, so I can get supplies	As a community member, I want a link to reportneedles.ca, so I can report a needle quickly	As a community member, I want naloxone listed under Get Help, so I can find kits and training	As a client, I want HIV and opioid care info together, so I can find the care I need	As a community member, I want hours and a map link, so I know when and where to go
As a community member, I want real photos of APSS people, so the site feels like a community	As a visitor, I want the home page to show every main section, so I see all that APSS does		As someone looking up testing, I want exit to open a neutral page, so my screen stays private					As a community member, I want to see APSS support groups, so I can find one that fits me	
MVP 2									
		As a funder, I want impact numbers on the home page, so I can see what APSS has achieved							

Blue: user activities. Yellow: user tasks. White: user stories, grouped by release (MVP 1, MVP 2).
Applies across the map: WCAG 2.1 AA. White page, neutral colours, coloured footer, darker tones, no peach. Real APSS photos, no AI images.
Cards come from the Excel export of our StoriesOnBoard map. We laid out this PDF separately because the StoriesOnBoard PDF export cuts story text off after four lines.

User Story Map v3: APSS Website

Learn					Explore Research						
Find a Topic	Health Basics	Harm Reduction	Cree Resources	FAQs	Find Research	Current Projects	Completed Projects	Project Details	Articles	Posters	Research News
MVP 1
